

Certificate No. CT 0470-6 T

CERTIFICATE TO FOREIGN GOVERNMENT

In order to allow the importation of United States products into foreign countries, the U.S. Food and Drug Administration (FDA) certifies the following information concerning the product(s) to be exported listed below:

California Transplant Services, Inc., located at 5845 Owens Avenue, Carlsbad, CA 92008 manufactured the following human tissue intended for transplantation:

Human Tissue for Transplant: Skin, Bone, Tendon, Ligament, Heart Valve, Cartilage, Cornea, Sclera

The product(s) described above and the plant(s) where it is produced are subject to the jurisdiction of the FDA under the Public Health Service Act and regulations promulgated thereunder. The company listed above has certified to the FDA that the human tissue meets the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1270, Human Tissue Intended for Transplantation.

It is certified that the above listed human tissue may be marketed in, and legally exported from, the United States of America at this time. The company listed above is subject to periodic inspections. The last such inspection showed that the plant(s), at that time, appeared to be in compliance with the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1270.
